

Real Estate Analyst (Intern)

The Company

Innimmo is an independent investment banking and financial services company, based in Sofia. During the last decade we have executed some of the landmark real estate deals in Bulgaria. Our team is providing made-to-measure real estate asset management services to select local and international clients.

The Proposal

We realize it takes world-class people to deliver world-class service, so we are now seeking candidates with exceptional integrity and passion for finance and real estate to fill our current opening for a **Real Estate Analyst (intern)**.

If you:

- Have awareness of the real estate market in Bulgaria and its segments (commercial and residential)
- Know the basic management accounting and financial principles
- Have good working knowledge of MS Excel
- Are an ambitious person with good attention to detail and high level of personal integrity
- Have perfect command of English and Bulgarian
- Are happy to be a part of young, entrepreneurial-spirited team
- Are a last year student or a recent graduate (professional experience is NOT a must)

then you are the right person for us and after the 3 to 6-month internship period you may be offered a full time position at Innimmo.

Job Description

The Real Estate Analyst Intern will be an integral member of our team. Some of the tasks will include:

- perform desk research on markets, sectors, potential clients and business opportunities
- participate in analyses of development projects and real estate acquisition deals
- participate in valuation analyses (appraisals) using various methodologies
- participate in feasibility studies and due diligence reports preparation
- performing market and financial research and analysis tasks

If interested in joining our team, please submit a cover letter, a CV and a recent photo to the following email: career@innimmo.com. **Deadline: 15 March 2017**. We will carefully review each application, but will get back to shortlisted candidates only.
