

Marketing Specialist

NIK has been a leader in the domain of Agriculture ever since 2002 with the main focus on innovative technologies for automatization and digitalization of the processes in local farms.

Five years in a row, we've been honored with the Trimble Award for developing and popularizing precision farming in Bulgaria. For 2020 we have been awarded the Forbes Business Award which makes us the first representative of the agriculture domain in the prestigious awarding. We were also recognized as one of the top 50 Best employers in Bulgaria for 2020 and received the Gold award for "Employer of the year" in the field of Agriculture.

Innovations and technologies in the precision farming area are our passion. Our marketing team loves bringing those products to life by creating stories and engage potential customers with their promotion.

What will you do if you join our team?

- Create and upload stories and content for social media and our corporate website;
- Create, translate and adapt advertising materials and presentations;
- Participate in the organization of company events – offline and webinars;
- Participate in the digital marketing processes and bring your stories to our potential customers

What we are looking for?
