

Carista is a fast-growing Bulgarian company that loves cars. For the past couple of years, more than half a million drivers worldwide have diagnosed and coded their Audi, VW, BMW, or Lexus with our mobile app. If you are into cars and mobile apps, then we have the right job for you.

We are looking for a person responsible for the development and improvement of our **Junior Android Developer**.

**What we're looking for in our candidates:**

- At least 1 year of experience with Android development (in Java and/or Kotlin)
- Experience with large software projects
- Algorithmic thinking, creativity, ability to analyze data and find patterns
- (optional, but a plus) Knowledge and experience with C++
- (optional, but a plus) Experience with JNI (Java Native Interface)
- (optional, but a plus) Experience with Linux distributions
- Very good written and spoken English

**Key responsibilities:**

- Implementing Android user interfaces in the Carista app
- Implementing Android-specific implementations of our platform abstraction layers (PALs)
- Implementing Android-specific functionality in our app, including interaction with our shared functionality library in C++
- Implementing common functionality in our shared library
- Testing app with vehicle simulators and with actual cars

**What we offer:**

- Competitive salary
- Additional Health insurance+dental care
- 25 days paid vacation
- Multisport card
- 1 day off for your birthday
- Happy hours
- Awesome team
- Fun and friendly working environment, freedom to do things the way you'd like to
- A solid global user base, built around a product with an enormous potential
- The chance to influence - we're an open-minded company, we're always willing to listen to creative ideas for improving any or all aspects of the product

So, if you're...

- ...a thoughtful individual who gets the job done and values quality in what you do...
- ...a creative and tenacious problem solver that loves the high of reaching the "Eureka" moment...
- ...looking to build a career in a fast-growing, highly competitive sector...

...we'll love to have a look at your CV!

Only short-listed candidates will be contacted. All applications will be processed in confidentiality.

This position is offered by Prizmos Ltd. and is a full-time position based on a standard labor contract.
