

YOU CAN GROW WITH US...

As a leader in marketing and media information, Nielsen is one of the most trusted sources of business intelligence for the world's top brands. The work we do makes a significant difference to how businesses and brands perform in markets around the world. At Nielsen we all share a commitment to our core values of being open, connected and useful in how we work — with each other, our partners, and our clients.

We are looking for experienced and passionate people to join our Growing Operational teams in Sofia.

DATA VALIDATION INPUT SPECIALIST

Welcome to NIELSEN!

As a leader in marketing and media information, Nielsen is one of the most trusted sources of business intelligence for the world's top brands. The work we do makes a significant difference to how businesses and brands perform in markets around the world. At Nielsen we all share a commitment to our operating principles: trust & accountability; Engage, Include & Decide and Fewer, Faster, Bolder in how we work — with each other, our partners, and our clients. For our dynamic Input Operations team in Sofia office, we are looking for a **Data Validation Input Specialist**

YOUR RESPONSIBILITIES:

- Execute the production activities of the assigned panel/industry in collaboration with the other operational teams
- Accountable for executing, process and technology with the goal of delivering high quality and on-time data according to internal SLAs
- Perform data content reviews and processing on retailer data utilizing the appropriate platform and tools
- Follow and monitor Data files flow from a retailer and/or DA
- Create and maintain documentation per retailer/cycle
- Setup and Review retailer data for new channels
- Investigate data inquiries /challenges with local teams
- Identify problems; determine root cause as well as short and long-term resolutions. Make recommendations for enhancements to internal Nielsen operational processes.

You are our ideal candidate if you have strong analytical skills, high attention to details, the need to reach the irrefutable facts and conclusions. You will feel comfortable with us if you have the ability to work in a team, under strict deadlines, and with massive datasets.

KEY QUALIFICATIONS REQUIRED BY YOU:

- Student/Fresh graduate or Bachelors degree (preferably technical fields)
- Proficient in Microsoft office products - Excel 2000/2010 mostly
- Knowledge of English is a must - written & spoken
- Knowledge of Visual Fox Pro and/or SQL would be an asset.
- Knowledge of Retailer Industry & Technologies and Retailer Services organization (desired)

YOU WILL GET FROM US:

- Stable employment in a dynamic and international environment with an established position on the market
- The opportunity to gain a valuable experience and knowledge of FMCG on a country and international level
- Position-oriented training as well as opportunity to develop/train yourself in other areas if desired
- Medical care and social benefits package
- At Nielsen, you will experience a dynamic, open, and solution-oriented international environment, where we support your development through a trust-based feedback culture and diverse training possibilities.

As part of our culture, our promise to you is that at Nielsen you can: Be Yourself, Make a Difference & Grow with Us.
