

YOU CAN GROW WITH US...

As a leader in marketing and media information, Nielsen is one of the most trusted sources of business intelligence for the world's top brands. The work we do makes a significant difference to how businesses and brands perform in markets around the world. At Nielsen we all share a commitment to our core values of being open, connected and useful in how we work — with each other, our partners, and our clients.

We are looking for experienced and passionate people to join our Growing Operational teams in Sofia.

JOIN OUR TEAM AT NIELSEN!

Welcome to NIELSEN!

As a leader in marketing and media information, Nielsen is one of the most trusted sources of business intelligence for the world's top brands. The work we do makes a significant difference to how businesses and brands perform in markets around the world. At Nielsen we all share a commitment to our operating principles: trust & accountability; Engage, Include & Decide and Fewer, Faster, Bolder in how we work — with each other, our partners, and our clients.

For our dynamic Input Operations team in Sofia office, we are looking for a

STATISTICAL OPERATIONS SPECIALIST

MAKE A DIFFERENCE

What's the job?

Within the Input Operations team, you will make a difference by providing efficient and relevant panel maintenance, in order to deliver a representative sample for both regular deliveries and company projects. Concretely, you will:

- Execute the production activities of the assigned panel/industry in collaboration with the other operational teams
- Be responsible for quality and delivery commitments
- Elaborate projects specifications and plan
- Look for and implement the right technical solutions in partnership with local and global experts
- Monitor the output regarding delivery, level of quality, number of requests and incidents, populating respective KPIs and develop an action plan for improvement
- Investigate data inquiries /challenges with local teams
- Take part in regional /global company initiatives

BE YOURSELF

This position is perfect for you if you are numbers oriented, have strong communication and analytical skills and problem-solving capabilities to ensure the satisfaction of internal expectations and needs. You're a confident & enthusiastic person able to manage a varied workload in autonomy. By joining Nielsen, you will be part of a team within a fast-paced and demanding environment and have the opportunity to interact with other areas of the business.

The minimum requirements are:

- Students/Fresh graduates or Bachelor's degree (Econometric /Statistic, Mathematics, Engineering, Economy, Marketing) or equivalent experience
- Proficient in Microsoft Office products – mostly Excel
- Knowledge of English is a must - written & spoken
- Good time management & planning skills
- An open mindset to learn about the technical side of the operations production platform
- Basic /intermediate R or other statistical packages will be considered as an advance

GROW WITH US

What are we offering to you?

Besides an attractive salary, you will get 20 days paid annual vacation. Also, we work 40h /week, considering all local national holidays, helping you to create a work /life balance that is right for you. Moreover, you will experience a dynamic, open, international and solution-oriented environment, where you will gain knowledge of FMCG industry and understanding of Retail Measurement Service.

THE NIELSEN EXPERIENCE

Nielsen is a fast growing multinational organization where customer services are the priority. We operate in a dynamic market which is reflected in both the organization itself and the people within it. We offer a challenging, international working environment in a strong and pleasant team of colleagues. Nielsen employees are also encouraged to pursue growth opportunities and are provided with professional training to enable them to stay at the forefront of the latest marketing trends and forecasting technology.

Our values, our commitment to you

Within our teams, we emphasize the importance of diversity and inclusion because we know they are crucial to our growth, strength, and ability to innovate. Our international teams work together to create an uncommon impact. As part of our culture, our promise to you is that at Nielsen, you can: Be yourself, Make a Difference & Grow With Us.
