

Do you have plans for the summer?

Melexis is a world leader in the design, development and delivery of solutions in the field of microelectronics.

We are currently looking for a highly motivated individual to join our Supply Chain team!

Melexis' Supply Chain is the department responsible for planning and flow of material from material ordering to finished goods delivery.

AS AN INTERN IN THE TEAM YOU WILL:

- Support the supply chain team on a day-to-day basis with data entry, report preparation
- Assist the Supply chain team with number of projects and activities
- Be involved in different aspects of supply planning

YOUR PROFILE:

- At least 2nd year student in the field of Supply Chain, Management, Logistics, Economics (or similar)
- Previous related experience and database knowledge will be considered as an advantage
- Comfortable using MS Office, especially Excel
- Good communication skills in English (both verbal and written)
- Interest to join a team of an international company

WE OFFER:

- Paid 3-months internship with up to 40 working hours/week
- A challenging practice in a dynamic high-tech international environment
- An enjoyable, team-oriented and professional atmosphere in a flat-structured organization
